

Nomination for Elected Director of the Board (Revised August 2015)

The board of directors is responsible for the good management of the AHJSA as described in the constitution. It consists of between six and twelve directors who are elected by the affiliate members of the association; these being the twelve affiliated clubs.

Any person over 18 years can nominate. Under the constitution this must be in writing and received by the closing date for nominations. Nominees are not required to be nominated by a club, and can self-nominate. The term of office is two years.

Nominees cannot nominate for specific positions on the board. These are determined by the vote of the board. However, they are encouraged to indicate the roles or positions that they would be interested in filling.

Under the constitution, nominees must declare any interest they have in a Football (soccer) club, including as an officer, participant, delegate or employee. This does not preclude election.

Under By-Law 13.1 member clubs may be required to indicate support for a nominee as a condition for the AHJSA to accept team nominations from the club. Nominees are not required to have or accept this support.

Copies of the constitution and by-laws are available at www.ahjsa.asn.au
