

Club Points Incentive Program (Revised March 2016)

Aim

This program is to encourage clubs to meet the following requirements:

- Administrative deadlines
- Attendance at meetings
- Submitting neat and correctly filled in match sheets
- Submitting publicity information

Incentive

Clubs will be awarded points for attending meetings, achieving deadlines and submitting promotional material.

Clubs will be deducted points for missing or poor match sheets, missing match reports, playing unregistered players and other serious infringements.

Reward

The Association will award to the highest achieving clubs in the following manner:

- \$2000 to the club with the highest overall points
- \$1200 to the club with second placed overall points
- \$800 to the club with third placed overall points
- \$500 to the club with fourth placed overall points

Where there is a tie for points the appropriate pools of money will be combined and shared equally amongst those clubs who are tied. For example, if there are two clubs with equal highest points, then these would share the combined first and second pool of \$3200, or \$1600 each.
